If someone wants to speak for a second time, after everyone has had a chance to speak, they will have a second opportunity to speak for an additional three (3) minutes. The Board President or the Superintendent may respond when the BOE has received and reviewed the comments. When members speak to the Board, they shall state their name, the name of the organization (if any) they represent, and the agenda item they wish to comment on. You will have three (3) minutes to address the Board and the District Clerk will let you know when you have a minute left. Please be aware that by law, individual student information or particular personnel issues cannot be discussed at public sessions of the Board. The Board will not allow interruptions, slanderous remarks, or "name-calling" by speakers or the audience. We take public comment very seriously, and notes will be taken.
