

5/2/22

This notice is to inform you that we had a chaperone from the Jr. High Travel Club test positive for COVID 19 on Sunday evening. We also had a bus driver test positive on Monday, May 2, 2022. Students and staff often share the same areas throughout the day including the bus; we ask all parents to monitor for symptoms and test if needed.

As we work through this endemic, we ask that you continue to keep your child home if they are not feeling well and do a home COVI-19 test. We have tests available to be picked up at school for your convenience.

If you have any questions, please contact Mrs. Flanagan, Mrs. Aurilio, or Mr. Markwica at 518-251-2921.

Sincerely,

Mr. Michael J. Markwica

Mrs. Heather Flanagan
