Superintendent's Corner

Wow, winter decided to come in full force in March, and it definitely came in like a lion. As of this writing, we still have one snow day left for the 2022-2023 school year, but we all know that April can be unpredictable in the North Country. I am sure I am not alone in hoping that spring weather is in our future.

Update on where we are on the merger conversation.

So, last I wrote, both Minerva and Johnsburg's Boards of Education had agreed to do a merger feasibility study. The two districts have asked our BOCES District Superintendent, Dr. Turina Parker, to submit a Request for Proposals (RFP) on our behalf. Agencies will respond with their plan on how they would perform this study, as well as the cost. After we receive these proposals, both schools will sit down and review each proposal and decide which one best fits our needs and costs. We anticipate that the actual study will start in September of 2023.

I have been informed that other schools in our area that have done these studies in the past were asked to compile a team made up of specific members. I know one group will consist of community members. If you are interested in sitting on this creative team, please let me know. It does appear that there will be a somewhat demanding time commitment, and I think it will last for the entire school year, but the importance of this decision is worth it. As I have a better understanding of the timeline, I will let you know.

End of 3rd Quarter

The end of the third quarter is a make-or-break time of year for some students. This is when a student that has not been doing well needs to buckle down and work harder to pass the year, or the student that hasn't been failing but not doing well needs to make sure they don't fall below passing. Summer plans can all change, from a nice vacation time off period to a daily summer school experience. So as parents, look at your student's report cards and see if you need to help them finish the school year.

JCS Presents: Disney's The Little Mermaid March 31 and April 1, 2023

It has been 4 years since Johnsbury Central School has put on a live musical, and the cast of *The Little Mermaid* is ready to come back bigger and better than ever! With a cast of 32 stage actors, and 10 stage crewmembers, the production has been a large undertaking for the students and teachers involved. "The community at large helped out in so many ways, and it has been wonderful to see it all come together.," says director Katy Ashe. "From sets and props, to costuming, we have been so very fortunate to live in such a caring place."

The Little Mermaid follows the storyline of the beloved Disney movie, while adding in some amazing songs that weren't featured in the film. Caroline Williams, a Junior at JCS, stars as Ariel, the ever-curious mermaid we have come to love and adore for generations. She finds herself at odds with her father, King Triton (Angelo Galle) and the fact that she's in love with a human; Prince Eric (Andy Cole) to be exact. Her friends Sebastian (Lainey Freebern), Scuttle (Ryder Olesheski) and Flounder (Tristin Secor) do their best to keep her from giving away her most precious voice to the Sea Witch Ursula (Lilianna Mosher) in return for turning her into a human. Meanwhile, Prince Eric's trusted advisor Grimsby (Hudson Dunkley) is doing his best to fulfill his oath to see the Prince married by his birthday. See how the story ends!

Other notable characters include Ursula's eels, Flotsam (Keegan Mottram) and Jetsam (Ayden Tuma);

Ariel's 6 Mersisters (Charity Lupo, Kamron Calvert, Sophia Leigh, Mara DeRoanne, Lexi Sharp, Hannah Sharp), and the trusted Pilot of Eric's ship (Matthew Waldron). The show's orchestra direction is by Mr. Maxwell Garrett, and features choreography by JCS Senior Kamron Calvert, and Freshman, Hannah Sharp ("Positoovity"). Set design is courtesy of Artisan Ink owner Melissa Freebern and Cafe Sarah owner, Sarah Williams. Costume design by Autumn Goerner, Sarah Williams, and Thomas and Molly Badgley (Flotsam and Jetsam).

Join us for a journey "Under the Sea" and bring your family for an amazing night you won't forget. Disney's *The Little Mermaid* will run Friday, March 31st and Saturday, April 1st at Johnsbury Central School, 165 Main Street, North Creek at 7 PM. Doors will open at 6:15 PM. Tickets are \$10.

CAROLINE WILLIAMS SELECTED FOR NATIONAL ASSOCIATION OF MUSIC EDUCATION EASTERN REGIONAL CONFERENCE MIXED CHORUS

Johnsbury Central School is proud to announce the selection of Caroline Williams from its music program that will perform at the 2023 Eastern Division Honors Festival held in Rochester, NY April 13-16.

The event is sponsored by the National Association for Music Education (NAfME) and hosted by the New York State School Music Association (NYSSMA). Miss Williams will be among the more than two hundred (200) students selected from school music programs across

the state. Approximately seven hundred (700) students will participate from schools across the east coast. Caroline represents the top 1% of NYSSMA Vocalists in New York State.

Students will rehearse and perform with renowned conductors including Dr. James Tapia of Syracuse University (All Eastern Symphonic Band); Rachel Lauber of the Eastman Community Music School and University at Buffalo (All Eastern Symphony Orchestra); Jason

Max Ferdinand of the University of Maryland (All Eastern Mixed Chorus); Brian Powell of Montclair State University, NJ (All Eastern Modern Band); Dr. Kristina MacMullen of University of North Texas (All Eastern Treble Chorus); and jazz tubist Bob Stewart conducting the All Eastern Jazz Ensemble.

“This is a wonderful opportunity for our students,” said Katy Ashe, Caroline’s vocal instructor. “They will work collaboratively with other young musicians from schools outside of New York and gain valuable experience by working with renowned master Conductors.”

NYSSMA, the New York State School Music Association, is the largest state affiliate of the National Association for Music Education.

JCS Sends 44 Music Students to the CASMA Spring Festival.

On Saturday April 22nd, the music departments from Johnsbury, Indian Lake, North Warren, Schroon Lake, Long Lake, Minerva, Newcomb, and Warrensburg will convene at Warrensburg High School to participate in the CASMA Spring Festival. JCS is represented with 15 students selected for the Senior High Band, 16 students selected for the Junior High Band, and 13 students selected for the Elementary Chorus. These young musicians will come together to rehearse together for several hours and then put on a concert for the public at 2 pm in the new WCS Auditorium. Suggested donations are \$3

for students and seniors and \$5 for adults. Proceeds from these donations fund the CASMA Scholarship Fund, which provides yearly scholarships to graduating seniors, and renewable scholarships for students who choose to pursue a career in music in college.

Senior Band: Tristin Secor, Hannah Sharp, Lexi Sharp, Evan Bonanno, Corbin DeGroat, Julia Morris, Cole Sears, Brayden Poirier, Helena Van Voorhis, Caroline Williams, Kira DeLong, Austin Cooper, Angelo Galle, Scott Patton, and Andy Cole.

Junior Band: Nicholas Sauer-Jones, Elijah Bonnanno, Liam McKinney, Ryan Fink, Gabriel Pesquera, Colin Morris, Tristan Campbell, Vanessa Donahue, Kaelyn Poirier, Kayden Smith, Hudson Dunkley, Reagan Morris, Norah Caselli, Connor Sharp, and Kristofer Leonard.

On March 12th, Family and Consumer Science students in grades 7 and 8 as well as Food & Culture students catered a reception for the Tannery Pond. Students planned the menu, which included ricotta meatballs in a scratch-made red sauce, salted chocolate chip cookies and prosciutto & fig jam sandwiches on mini croissants, and cooked everything. As well, three students - Norah Casseli, Ronan Corr and Amari Trent - attended the event as servers. They set up the food, served it to guests as they spoke about what they had prepared and helped with the clean-up. Students took what they have learned in class, including having to work with a budget, and applied it to a real-life situation with amazing results. Bravo!

Hello,

My name is Hudson Dunkley. I am an eighth grader here at JCS. I am 14 years old. Some of you may have heard about my program "Snacks for Friends". I would like to tell you a little bit about it. I started "Snack for Friends" when I was in second grade. I wanted to make sure all of my friends had a snack at snack time. I currently provide snacks for everyone that needs one in kindergarten through sixth grade and for the nurse's office for higher grades.

I feel like this program is important because everyone should have a snack at snack time and no one should feel left out or hungry. As you know goof gives us fuel to learn! Right now my program needs a little help to keep giving snacks to students. Please consider donating!

Thank you and remember to be kind to everyone,

Hudson Dunkley
