### Johnsburg/Minerva Merger Update

#### Where are we in the Process:

CASDA and the Feasibility Study Committee have completed their work over the last six months looking at all areas of the merger: Enrollment, Taxes, Finances, Instruction, Staffing, and Transportation, among other areas.

Dr. Jerry Steele and Dr. Michael Piccirillo are finalizing the Feasibility Study Report. This report must be approved by BOCES District Superintendent Dr. Turnia Parker and the New York State Education Department.

#### The next steps:

1. Approval of the Study from Dr. Parker and the State Education Department.
2. Presentation of the Feasibility Study done in a joint meeting with both Boards of Education and the communities.
3. Both Boards will hold their own votes to determine whether to proceed with the process and allow a straw vote.
4. If both boards agree to proceed with a straw vote, residents of both

districts will have the opportunity to vote.

5. If the straw vote results in favor of the merger, a petition needs to be filled out by each district's residents and handed into the State.
6. Once the Commissioner approves, a final binding vote in both communities will determine whether a new district will form.

Please watch Johnsburg and Minerva's websites/newsletters/Facebook for information regarding the date and time of the meeting with CASDA. At this meeting, the community will have an opportunity to ask questions for clarification. Then, both communities will hold public forums prior to the Boards of Education voting for the public to again ask questions and also express respectful opinions.

In the meantime, the following website has recordings, presentations, and frequently asked questions from the Feasibility Committee Meetings.

### Incoming Prekindergarten at JCS

If your child(ren) will be 4 years old prior to December 1, 2024, they are eligible to attend prekindergarten during the 2024-2025 school year. Please call Laurie West in the main office at 518-251-2921 to register your child for pre-k. After you call, you will be sent a packet of information to fill out and return to the guidance office. Your child will be placed on a list indicating whether you prefer an AM or PM session, if it becomes necessary to have two sessions of pre-k. We cannot guarantee that your child will be placed in the session that you prefer. Placement will be determined by a first come, first-served basis. Please fill out and return your packets as soon as possible.

### Incoming Kindergarten at JCS

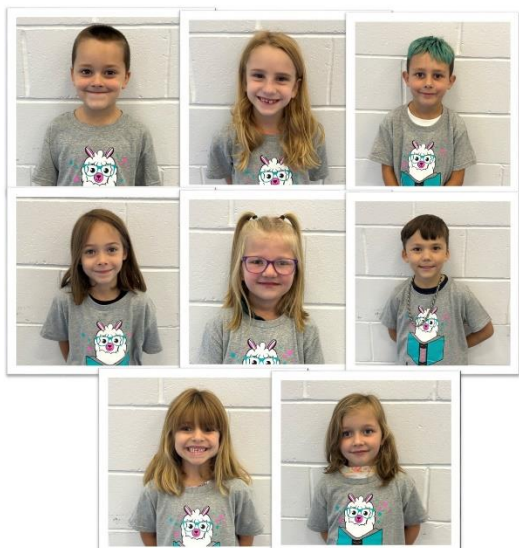

If your child(ren) will be 5 years old prior to December 1, 2024, they are eligible to attend kindergarten during the 2024-2025 school year. If your child currently attends pre-k at JCS, your child will be automatically registered for kindergarten.

If your child is not currently enrolled in pre-k at JCS, please call Laurie West in the main office at 518-251-2921 as soon as possible.

## JCS 2023-2024 Grades 2-4 Ski Program

Throughout January and February and March students in grades 2-4 finished up a very successful 6 week ski program at Gore Mountain. Every student either learned the basic skills of skiing or enhanced on their prior skiing experience and knowledge. The program was a huge success and the students had a great time!

A special THANK YOU to everyone who was involved!

\*Gore Mountain Staff; Gail Setlock – Snow Sports School Director, Chris Siracusa - Box Office and Guest Services Supervisor, John Rathbun – putting together goodie bags, and to all the amazing, talented, and patient Ski Instructors!!! You were all amazing and once again made our program a huge success! Thank you for teaching our students at JCS how to ski, to enjoy the sport, and for your dedication.

\*The Rental Shop Team at Gore - for being so helpful with skis.

\*Adirondack All Season Outfitters – for donating and ordering the extra equipment needed, as well as helping to size students with boots.

\*Bus drivers – thank you for transporting us every time safely! You guys rock!

\*Kristen Varney, Janelle Turcotte, Tracy Watson, Laura Webb, Rebecca Morris, and Heather Olesheski for supporting the students, helping with my class, and being flexible during this program. I truly appreciate you all!

\*Mike Markwica, Heather Flanagan, and the Board of Education for allowing this program to happen through the school and for your continued support.

\*Mary Blackhurst who took pictures.

\*Kristen Cartwright for helping assist with lessons.

Again – a huge THANK YOU to everyone who was involved in the program. As you can tell it takes a team and I greatly appreciate every little bit of help, advice, and support that has gone into this amazing opportunity for our students. We are all so

lucky to have such a great community that supports us and beautiful Gore Mountain to enjoy in our backyard! Thanks!

Fondly,  
Kim McKenna  
(JCS Ski Program Director)

## QUESTION OF THE MONTH:

This month's question was asked to Mrs. Brower's Kindergarten class.

### "What is your favorite sign of spring?"

Jackson Thissell- My favorite sign of spring is mud. We get to ride side by sides.

Maddox Moos- I like spring because we get to start planting flowers.

Remi Thissell- Spring brings nicer weather so we can run around outside.

Harper Ordway- I like spring because I get to see new plants growing.

Lukas Bliss- I like spring because I get to ride my dirt bike.

Cashus Virgil- I like spring because we get to play outside more.

Colton Jourdan- I like spring because we go hiking a lot.

Alistair Ashe- I like spring because it melts the snow and then comes summer.

Adalyn Waldron- I like spring because I can pick flowers and see butterflies.

Hallie Horton- I like spring because I know summer comes next.

Savannah Utley- I like spring because I can spin around and feel the fresh air.

Grace Piemme- I like spring because I get to play on my trampoline.

*Information provided by Mrs. Bruce*

Information from the Health Office:

**New COVID-19 Guidance have been released:** Students testing positive for COVID-19 no longer have to remain out of school for 5 days. Students may return when feeling better and without a fever for 24 hours, without the use of fever reducing medications.

We are entering allergy season as well. It is anticipated that allergies will be significant this year.

If you suspect your child may be suffering from allergies, I would recommend contacting their primary healthcare provider for guidance on the best treatment Options.

As warmer weather approaches, this is a great time to encourage your kids to get outside, but please also remember to discuss with your child(ren) key safety tips:

- ALWAYS wear a helmet when riding anything on wheels!
- ALWAYS remember to look both ways before crossing the road
- ALWAYS wear sunblock to protect from sunburns.

Teach your kids how to respond to various emergencies, and make sure they know how to contact 911 using landlines and cell phones. Doing drills helps decrease panic and errors in a true emergency.

COVID-19 Test kits are still available from the Main office should you need any.

As always, please let me know if you have any questions or concerns!

Be well,
