Contact Tracing- How it Works.

We got through September and most of October, but the end of October and November have been very busy. And, it seems like with cold weather here and more events happening inside, the number of cases are going up. Therefore, our quarantines have increased, and many parents do not understand how this process works. I thought I would take this opportunity to go through what I have learned and how we work through the process of quarantines.

First, and most importantly, the school never quarantines. We do not have the authority to quarantine; only Warren County Public Health has that authority. But, the school does work hand in hand with the County to gather information to make informed decisions on who needs to be quarantined. I want to share this process of communicating with you so as a parent, you have a better idea of why we are taking some of the actions we are here at school.

Also, it is important to know that there is a team here at school that gathers the information shared with the County. The team consists of our school nurse, Mrs. Arilio, our school principal, Mrs. Flanagan, and myself. The other

part of that team is all of our staff, who we work with to gather information.

The process starts when we are notified that a student has tested positive for COVID 19. Public Health or parents inform us. We have to contact trace back two days from the student's first symptoms. That means that a student may leave school on Tuesday not feeling well and get tested that afternoon. If their rapid test comes back negative, but their PCR comes back positive on Friday, we have to go back to Monday to do our contact tracing.

We then begin to interview all the student's teachers. We ask questions like: where does the student sit in the classroom (all teachers have seating charts), does everyone wear their mask (this is one of our COVID policies), are the students sitting at least 3 feet apart (this is one of our COVID policies), are your windows open (having fresh air in the room is important), have you done any group work, is there a student who spends more time with the student who tested positive and are they less than three feet apart, and was it for more than 15 minutes, and lastly is there anything else you would like us to know? Because our staff and students are doing such a great job following our policies, we have seen very few quarantines in our classrooms.

Next, we look at common areas like the cafeteria and the bus. We look at the breakfast - lunchroom seating charts and talk to the monitors to see who sits next to the student who tested positive. Prior to the week starting November 15, all students were 3 feet apart, and we knew that because they were eating with their masks off, both students on either side were going to be quarantined. And if a student was sitting at a round table, that may mean up to three students. At this point, all students are sitting 6 feet apart in the cafeteria. This was accomplished by having some elementary classes eat in their classrooms and changing some lunchtimes. Now, because they are 6 feet

apart, we should not see as many quarantines from the cafeteria.

Next, we look at the bus, morning, afternoon, and, when needed, sporting transportation. At the start of the year, Public Health looked at quarantining the student sitting with the positive case and up to 11 other students sitting around them. They have recently changed their policy to quarantine only the student sitting with the positive case and the student sitting across from them. If the positive case sits alone and next to a window and the person sitting across from them also sits alone and against the window, this person may not be quarantined. It also depends on the length of the bus ride as well as if masks were worn.

We also try to talk to the student and the parent to see if they have additional information that we need to consider or investigate. This process is not quick but is very important. I cannot say students have not picked the virus up here at school, but I can say that we continue to create the safest place possible.

We have a few different outcomes when a student is identified as a possible exposure. They may have to quarantine for ten days from the last exposure to the positive case, or they may only get a phone call asking them to monitor for symptoms and get tested if they start not feeling well. This is all dependent on what the investigation reveals.

Everyone must realize as we work through this epidemic, protocols are constantly changing. As everyone learns more about this virus, how it is transmitted, and what the vaccine can and can't do, protocols have to be examined and changed if needed.

As you can see, this is not an easy process, but it is worth it if we are keeping our students safe while here at school. We will continue to follow the National, State, and County guidelines as we work through this epidemic. We will get through this, and it will become part of our history. We have to stay strong and do our part.

I would also like to extend warm holiday wishes to you and your family. I hope the New Year brings you good health and peace.

Principal's Message

Kathie J Anti-Bullying Assembly

Kathie J, a native of the North Creek area, visited JCS on Monday, November 15th. She presented to students in grades 4-8. Kathie J is a radio and tv personality in Denver and has her own tv show. She has been visiting schools in the Denver Metro Area for over 15 years to talk about the importance of education and how to stand up against bullying. Kathie J visited JCS students to talk about what bullying is. Why do people bully? How to recognize bullying. How to combat it. Why bullying is a community problem and why adults cannot be bystanders. She shared her own experiences with being bullied as well as fighting limited thinking within her own family and friends to become all she was meant to be. Thank you, Kathie J for spending time with us!

Lost & Found

Lost & Found is located in the hallway outside the cafeteria. Please ask your child to stop by and take a look. Lost & Found will be packed up and sent to good will over each school break; Christmas, winter, spring, and at the end of the school year.

ASP/Late Bus

Until further notice, there is no longer an After School Program or a daily 4:45 late bus. A Thursday only late bus will run each week. Students must sign up by 12:30 in the principal's office.

Stuffed Jiggy Jaguar

Stuffed Jiggy Jaguars are for sale in the principal's office for \$10 each. These would make a great stocking stuffer!

Report Cards/PT Conferences

Report cards will be sent home with PreK-6 students on Friday, November 19th. Grade 7-12 report cards will be mailed. Grade PreK-3 parent/teacher conferences have already been scheduled.

DECEMBER QUESTIONS OF THE MONTH!

This month's Question of the Month was asked to our fourth grade classes,

"What is the Best Gift You Ever Gave Someone?"

Mrs. Olesheski's Class:

"The best gift I've ever given someone was snow boots. I gave my mom the snow boots for Christmas. They were waterproof and warm so my mom wouldn't get frostbite. They are also really easy to get on. She really loves them and still wears them to this day. They are white and black and they dry really quickly. My mom loves them."

Charlie Campbell

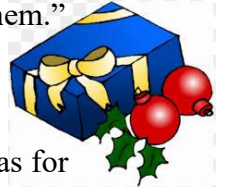

"The best gift I've ever given someone was a motion camera to my Papa. I gave it to him last year and he started using it in the winter, summer, spring and fall. He loves seeing pictures of foxes and deer. Sometimes apples fall off the tree and deer would come eat them. He gets videos of young ones with spots. I think they are the cutest. The foxes sometimes look like cats. I think the gray foxes are the cutest. The videos are really hard to see because they only come out at night. You can barely see them but the parts you can see make you know the gift was worth the money." Elizabeth Dague

"The best gift I've ever given someone was when I gave my friend a toy. He really liked it. That's the best gift I've given." Dom Donohue

"I gave my brother a Beyblade called Sprisin for his birthday and he liked it because it is the best Beyblade." Logen May

"The best gift I have ever given someone was these little pompom animals I made in an art club. We glued colored pom poms together and we drew faces on them and put pipe cleaners for feet. I made my mom a ladybug reindeer and a thing that was just random. I put a bunch of pom poms on fabric and glued eyes on it. I also trimmed them and made the pom poms a bit shorter. That wasn't all. I made an origami box and put them in it. I think that is my favorite gift because it's homemade and my mom still has them to this day and I'm very glad I made them." Harleigh Donohue

"The best gift I have ever given someone was for my dad. It was a magnetic tool holder for tools. It would hold hammers, wrenches, and even screwdrivers. He really liked it. He used it all the time and it was very helpful for him. His bag didn't really work, that's why I bought it. That is the best gift I ever got for someone." Finn Morris

"The best gift I ever gave someone was a photo of my sister and I gave it to my family members so they have photos of us. We put it in a photo frame with hearts on it. They loved it so much I am happy I did. It felt good to do that and make them happy. We just took new photos for them." Gracie Morse

"The best gift I have given someone was for my older sister Alene. She is the best older sister ever so I had to give her a gift. I got her a glass heart and she loved it. It had sparkles on it. She was so happy!" Mia Pace

"The best gift I've ever given someone was a picture of me holding a sign that said Best Dad Ever. I gave it to my dad. He really liked it. He said it was the best Father's Day gift ever! He liked it because it had a black border. I was holding the sign in a grassy meadow. It was sunny out so I was squinting!" Jozy Sherman-Cavanaugh

Mrs. Morris's Class:

The best gift I gave someone was when I bought Valentine's Day gifts for my grandma. I used my own money that I had earned and saved up. I gave my grandmother roses, a mug, and the very last velcro plush sloth that was in the store. My grandmother was very happy with the gifts.

Leon Bills III

The best gift I ever gave someone was a hug to my grandmother because gifts from stores don't matter. What matters is family and having each other. My grandmother loved the hug I gave her.

Alyssa Church

I gave my sister a nice bracelet at the fair one time. She was so happy because she wanted me to learn about giving instead of getting. It was the best gift because I felt really good about myself because I made my sister very happy. This year I am getting my sister something for Christmas that may be the best gift ever but we will have to wait and see.

Kameron Pardick

The best gift I gave was the lotion I gave to Mrs. Turcotte last school year. It was the best gift ever because I got it from her favorite store Rydeabetty. The lotion smelled really good. My favorite thing about it was Mrs. Turcotte's response to the gift.

Ellie Ordway

I gave my mom myself which was the best gift. Now that I am older I am able to help her with things. I can help her play fight against my dad so she can win. I am a good gift for my mom because I can watch my baby brother Owen, wash the dishes, put water in the fridge, and can cook mac and cheese. I am a good gift because I can help my mom with many things around the house. (My baby brother Owen is a good gift too.)

Olivia Owens

The best gift I ever gave was a gift to my dad that was for no reason. The gift was a photo of my dad and I standing together on a trip we had been on. The photo was in a blue picture frame. When my dad opened the gift he said, "Oh boy!"

Cohen Moos

The best gift I ever gave was the gift I gave my parents for their first anniversary. It was a heart shaped picture frame made out of purple, blue, and pink clay for them to display a photo of the two of them on their wedding day.

Ava Pesquera

The best gift I ever gave someone was a Christmas gift I gave my brother Ryan. The gift was a Harry Potter Lego set. My brother enjoys Harry Potter and he was happy I bought it for him.

Hayley Fink

The best gift I gave was to my little sister Ellie. It was a plastic doll that had a tub that included a play shower hose and a tubby drawer that you could wash the baby in. The gift was expensive and she enjoys playing with it now.

Addie Morin

Class Projects

6th graders in Ms. Corr's class created a Jaguar turkey and invited others to share what they are thankful for.

Mr. Rathbun's Technology Classes showing their finished products.

NOTES FROM THE TOWN OF JOHNSBURG

Help us plan the next 10 years of Ski Bowl Park. Please take the survey as we value your ideas. Visit <https://www.surveymonkey.com/r/SDHYLRH> or scan the QR Code below!

NOTES FROM OUR JUNIORS

"The Junior Class would like to extend a huge thank you to everyone who supported their Soccerfest Concession Stand fundraiser. A very special thank you to Mrs. Erika Patton and Mrs. Julie Allen for their guidance and assistance helping the Junior Class pull off a successful fundraiser!"

"Did you know the JCS Junior Prom Committee is hosting the Holiday Spirit Week Fundraiser again this year? Get those ugly sweaters and tacky holiday clothing ready! Look for their flyer coming home with your student the first week in December. Thank you for supporting this fundraiser!"

Information provided by Mrs. Bruce

College Acceptances

Charlize Bernard has been accepted to Siena College.

1. Burger King Scholars -Scholarship ranges from \$1,000 to \$50,000. Criteria is based on grade point average, work experience, extracurricular activities and community service. **Apply online:** <https://bk-scholars.com>
Application deadline is December 15, 2021.

2. Elks National Foundation Legacy Awards: Legacy Awards are \$4,000 scholarships for children and grandchildren of Elks members. For more information see the website <https://www.elks.org/scholars/scholarships/Legacy.cfm>
Application deadline is February 7, 2022.

3. Medical Scrubs Collection

Scholarship: This \$1,000 scholarship is for a student who is a senior with a minimum cumulative GPA of 3.0 who is pursuing a degree in the medical field such as therapy, nursing, medicine, nutrition, laboratory science, dentistry, etc.

Apply online at
https://studentscholarships.org/scholarship/14012/medical_scrubs_collection_scholarship_scholarship.php

Application deadline is December 15, 2021

4. 2022 KPMG Future Leaders

Program: KPGM Future Leaders Program-Funded by proceeds from the KPMG Women's PGA Championship and KPMG Women's Leadership Summit, the KPMG Future Leaders Program affords top female high school seniors across the country the opportunity to enhance their personal growth through college scholarships, a leadership development retreat (location to be disclosed at a later date or this may be virtual), a mentoring relationship with a woman business leader, and an introduction to golf. The 2022 KPMG Future Leaders Program application – includes an overview of the program, instructions on how to apply and a list of specific criteria needed to qualify for the program. Applications can be accessed at <https://womensleadership.kpmg.us/charitable/developing-future-generations-women-leaders-2022.html>

Application deadline is February 1, 2022
Winners will be notified by April 15, 2022

JOHNSBURG

Our Winter Sports season is now underway. Our busy Game and Meet schedule will be starting up at the beginning of December. There are a number of home basketball games coming up this month. Come out and support our teams! The Modified games will start at 5:00 PM and the Varsity games will start after those at around 6:30.

December 8th: Boys Modified and Varsity vs Newcomb in Minerva

December 9th: Girls Modified and Varsity vs. Wells in Johnsburg

December 14th: Girls Modified and Varsity vs IL/LL in Minerva

December 17th: Boys Modified and Varsity vs Bolton in Johnsburg

For home games, we are asking that you stay masked at all times and to follow our 3 foot social distancing guidelines. There will be no food or drinks allowed in the gym to try and avoid having our masks off while we are in the gym.

Elementary Basketball will be starting in January. We will be having a 5th grade team, 6th grade team and a 3rd and 4th grade combined program on Saturdays. Participating players will have to wear masks at all times in the school building. Coach Pierson and Coach Gonyo will send home more information prior to Christmas break. If anyone is interested in coaching or volunteering please contact Allison Gonyo

agonyo@johnsburgcsd.org or Zach Pierson at zpierson@johnsburgcsd.org.

It is important to make sure your child is prepared for physical education class. It has been getting colder and colder as the days go by and we will still be taking the students outside as often as possible. Please have your child prepared with a warm coat and/or sweatshirt and winter hat and gloves for this fall season. Please contact us if your child(ren) needs warm clothes for this fall or winter.

Coach Pierson and Coach Gonyo want to thank all the students for continuing to follow our rules and expectations when it comes to mask wearing and bringing warm clothes to go outside in! We look forward to the rest of the year as we focus on the health and wellness of the students at JCS! Please encourage your child(ren) to continue to be active outside of school!

Go Jags!

Coach Pierson
Coach Gonyo

School Nurse

Few quick reminders as we head into winter. Please be sure to pack snow clothes and extra clothes should your child get wet while playing out in the snow. I have limited extra clothing here in the health office, so please remember to pack extras for your little ones.

November brought some hopeful news with the emergency approval for the COVID-19 Pfizer vaccine for children 5-11. I would encourage everyone who is interested or even unsure, to discuss this with their child's pediatrician or health care provider. There are many opportunities to receive this should you be interested in it for your child.

There are also many places offering booster COVID-19 vaccines for anyone in need. Please visit the following site from Warren County Public health for information on vaccine clinics being offered through them:

<https://warren-county-ny-covid-19-warrencountyny.hub.arcgis.com/pages/vaccines>

Walgreens in North Creek is also offering the COVID-19 vaccine for ages 5 and up. It is very easy to book online as well.

Here is the link:

<https://www.walgreens.com/findcare/vaccination/covid/19/landing>

Please be sure to keep your child(ren) home if they are sick and have them evaluated.

Hope you all enjoy your holidays this month!

As always, please contact me with any questions or concerns. I will be happy to answer or find the answers for you!

Be well,

Mrs. Amber Aurilio, RN JCS School Nurse

aurilio@johnsburgcsd.org

MUSIC News

Music Department Concerts Return!

Please join us Thursday, December 16th at 6:30 PM in the JCS Gymnasium for our first concert in almost 2 years. The elementary band and chorus will be performing holiday selections for your listening pleasure.

Given the circumstances with Covid-19, we are asking that each student limit attendance to 4 guests per student. We also request that children under 2 do not attend due to them being unable to wear masks.

We will be recording the entire concert and uploading to the JCS Music Department YouTube page.

We thank you for flexibility and understanding during these unprecedented times. We are so excited to perform again, and are doing our best to keep our students, staff, and community safe.

UPCOMING CONCERTS:

Tuesday, January 11th 7pm: High School Concert (Grades 9-12)

Thursday, January 20th 7pm: Junior High Concert (7th&8th grade)

The JCS Pop Singers Celebrate the Holiday Season with the Town Of Johnsburg

Friday evening at 5:30 pm, join the Town of Johnsburg, local community pastors, and the JCS Pop Singers for Christmas Carols at the Lights On! Tree Lighting (located just across the street from the Phoenix Inn). Come sing with us, and ring in the Holiday Season.

Also this Saturday at 11:30 am the JCS Pop Singers and Jiggy will be seen in the Annual Lights On! Parade atop of the Garnet Lake Volunteer FD trucks singing your favorite carols! Be sure to see all the festivities, including the North Country Singers Concert at TPCC, FREE on Sunday, Dec. 5th at 2 pm!

Dec. 2021 Upcoming After School Activities ~ from the Johnsburg Youth Committee

JYC Funding support is from the Cloudsplitter Foundation, Stewarts Shops, Charles R Wood Foundation and the Community Fund for the Gore Mtn. Region.

JYC Family Ornament Hunt

Friday, Dec. 17, 4-6 pm *Free Event – for all ages!*

Sign in with your family group (with masks, socially distanced) at the upstairs lobby of Tannery Pond Community Center between 3:30 and 4:30 pm, 12/17

Bring your flashlights and headlamps... but everything will be "hidden" in lit areas.

Get a map and a bag and go collect ornaments that will be "hanging out" around North Creek. Return with your treasures to TPCC (by 6 pm) for great prize(s)!

Questions? Contact Kate at 518-251-9083, kate.jyc@gmail.com

Ski Swap and Sale

Sat. Dec. 11th 10 – 12, Sodom Scout Hall

Outfit your family for the season... with SKIS

(alpine or cross country), SNOWBOARDS,

GOGGLES, BOOTS, POLES, HELMETS and other winter gear!!!!

Prices are LOW, LOW, LOW to allow our local kids to get on the

mountain! Donations of gently used equipment are appreciated (no outdated/old

gear, please). **Bring gear to donate to Sodom Scout Hall 4-5 p.m., Dec. 10th or 10-**

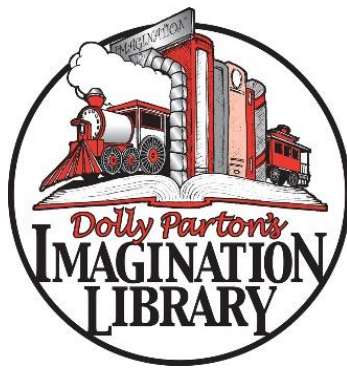

12, Dec. 11th *Proceeds benefit the Johnsburg Youth Committee... Thanks!*

More Community Events:

Lights On Johnsburg: Dec. 3rd, 5:30 pm, watch for more details...**Kids Art Fair at Tannery Pond Community Center, Dec. 4, 12-2 pm**. Fun for kids of all ages! Pick up a "take-out" art kit with a variety of holiday and winter themed projects.

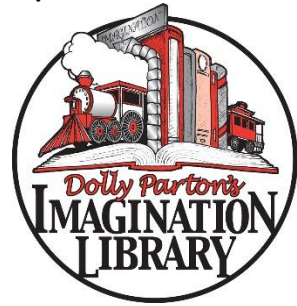

"Santa's Christmas Caboose!" Inside is a model train and miniature village, and a **festive light display is outside!** Open for public tours **Fri., Dec. 4, 5- 7pm**, and **Sat. Dec. 5, 4 - 6pm**. Also **Dec. 11 and 12** (same times). There will be a **collection bin for donating items** that are needed by many families in the area, such as: toothpaste, soap, feminine hygiene products, and other non-food essentials. **Social distancing and mask wearing please.**

Over 1,200,000 Families Did This!

Over 1,200,000 families have signed up to receive free children's books for their children. This includes nearly 100 families in the Town of Johnsbury who have also enrolled their kids in the Imagination Library program. And it's free and easy! Dolly Parton started an international program, Imagination Library, for any child from birth until their 5th birthday to have a quality children's book mailed directly to their home each month. She understands the value of books in the life of a child. There is no cost to you because our local chapter receives generous grant funding from the Glenn and Carol Pearsall Foundation as well as the Charles R. Wood Foundation. Interested? Just sign up... registration forms are available at JCS, the town library, or attached to the monthly JCS Newsletter. Thanks, Ann Arsenault Imagination Library, Johnsbury Chapter
