Coffee with Mike

After the last Board of Education Meeting on November 14, I had a few people join me for "Coffee With Mike". They asked many questions about the merger conversation going on, and other general questions dealing with school. It was a laid-back atmosphere where the people felt comfortable and enjoyed a cup of coffee, yet got their questions answered. I hope this group will continue to grow as we move forward. Remember it is the Tuesday morning after the Board of Education meeting, so the next one will be on Tuesday, December 13th at 8 am. You can also email me questions at mmarkwica@johnsburgcsd.org or call the office at 518-251-2921 Ex. 9. These are great ways to have your personal questions answered.

Sick students

It is still important to not send students to school who are sick. I understand that some kids have runny noses from November thru April, and parents have to determine what is an illness and what is normal for their child. And, you can't keep your child home each time they sneeze, but make sure you are using a COVID test (If you need some just let us know and we will give them to you.) and the nurse's guidance she has provided for you in the newsletter. Even with a negative COVID test your child may be contagious, we have seen both the Flu and RSV this season. You can give Nurse Aurilio a call if

you are unsure of what to do or make an appointment with your child's pediatrician.

Happy Holiday

The Holiday season is here and it's time to spend with family and friends. It is a time to reflect, as well as a time to look forward and make plans. For students, it is a great time for them to look back over the first 15 weeks of school and decide what has worked for them, and what hasn't. They still have time to make changes and have the type of school year they want.

I wish you and your family a wonderful Holiday and a Happy New Year.

Upcoming School Merger Meeting

A joint meeting of the Minerva and Johnsburg school boards is scheduled for Thursday, December 15th starting at 6:00 PM in the Johnsburg Central School cafetorium. This meeting will feature a presentation by representatives from the New York State Education Department on school reorganization/merger options and processes. Both school boards will use the knowledge gained at this meeting to help determine their next steps. Representatives from our BOCES will also attend to serve as additional resources.

While the meeting will not include a period for public comment, it is open to the public and will include a drop box for attendees to submit questions to the boards. Additionally, the meeting will be accessible through the following WebEx link:

<https://johnsburgcsd.webex.com/johnsburgcsd/j.php?MTID=m1fa0312567323baf77>

[ae353921bde14d](https://johnsburgcsd.webex.com/johnsburgcsd/j.php?MTID=m1fa0312567323baf77). A follow-up meeting will be held at each school in January for all interested school community members to ask questions and participate in a discussion with the school board.

QUESTION OF THE MONTH

This month's question was asked to Mrs. Morris and Mrs. Olesheski's 4th-grade classes.

“What was the best gift you have ever given?”

Ryan Bacon

The best gift I gave somebody was baby clothes for my third grade teacher Mrs. Turcotte. She was pregnant and I didn't know if she was having a baby girl or a baby boy so I picked out items that were pink and blue. Some of the items were clothing and pacifiers. I know this was the best gift I gave because she hugged me and I thought she was going to cry she was so happy.

Audrie Knickerbocker

The best gift I ever gave anyone was a Christmas gift I gave my mom a couple of years ago. It was a silver heart-shaped pendant that was strung on a multicolored string. On the pendant, it said, “You're the best mother ever”. My mom hangs it from the rearview mirror in her car. It was the best gift I ever gave because I bought it myself and it said exactly how I feel about my mother.

Aurora Hitchcock

I gave the best gift ever to my classmate Ryan when we were in first grade. It was a gift that wasn't for a special occasion so it was unexpected. I gave him a homemade blanket that my grandmother and I had made together. I believe it was blue and green and had a truck on it. This was the best gift because it was something I had taken the time to make homemade and it wasn't store-bought.

Colton Lawrence

The best gift I ever gave someone was also the only gift I bought with my own money. The gift was a travel-size squeeze bottle of hand sanitizer from Bath and Body Works that I gave my Grandma Carol for Christmas. It was teal but a bit more blue in color and she used it up so that is how I know she liked it. This was the best gift because I bought it myself. Honestly, if I gave my Grandma Carol a rock, she would probably like that too.

Elijah Waldron

I gave my sister Kayla the best gift ever. For Christmas, I gave her a clear Orbeez Ball. I had it wrapped in wrapping paper and as soon as she unwrapped the Orbeez Ball she was very excited. She and my brother started playing with it immediately and she was having so much fun. Unfortunately, something bad happened to it but Kayle really liked the gift I gave her.

Griffin Lewis

The best gift I ever gave were large cards that I made myself that had word searches in them. I made about five of them and gave them to my grandma and grandpa, Mimi and Papa, and my father. I spend about thirty minutes making them and it took a little longer because my younger brother Bodhi was trying to use his crayons on the words. These were great gifts because they were unique and one-of-a-kind.

Hannah Sauer-Jones

The best gifts I ever gave were Christmas presents to my mom the past two years. She did not like mixing eggs with a fork so I gave her a whisk and she said it did a better job. Last Christmas I gave my mom an ice cream scooper because she was only using a spoon to scoop ice cream. Using the ice cream scooper worked better because it made it easier to scoop the ice cream and also get the ice cream off the scooper. My mom really liked these gifts and said that it made things easier in the kitchen which made me happy.

Quinn Mahaffey

The best gift I ever gave was a gift I gave my mother for Mother's Day last year. I made flowers out of paper handprints that I cut out. The flowers were orange, red, and I think blue. I placed them in a plastic purple flower pot and gave it to my mom the day before Mother's Day because I was so excited to give her the gift I had made. I was the best gift because it was for my mom and it always makes her happy when I make things and give them to her.

Sara Donohue

The best gift I ever gave was money. I gave money to my friends Autumn and Elijah. I gave Autumn quarters and Elijah a dollar of pennies that my babysitter had given me. Autumn and Elijah both bought a snack from the cafeteria.

Levi Owens

The best gift I ever gave was to my oldest sister Maddie. I gave her a guitar for Christmas. I didn't buy it though. Maddie was really excited because she wanted a guitar. Maddie learned how to play the guitar very quickly and is really good at it. The guitar was the best gift I ever gave because it made my sister so very happy.

Autumn Baker

The best gift I ever gave someone was a nice note. I gave a nice note to my friend Sara. I gave her a nice note this year and last year.

Hayley Smith

The best gift I ever gave someone was a Pioneer Woman cook kit for my mom last Christmas. It was worth a lot of money. My mom is a good cook. She loved it!

Miles Moos

The best gift I gave someone is an RC car because it can go fast and he likes fast things. I gave it to my friend Colton for his birthday. It was his favorite kind of car.

Hunter Verfurth

The best gift I have given to someone is a payday bar that I gave to my dad. It was the best gift because he only had one time. It was special because he did not have time to buy one because he had a lot of work.

Lewka Lorenson The best gift I have ever given was when I got money for my birthday and I gave a dollar to my dad.

Kloey Tuma

The best gift I have ever given was to my brother. For his birthday I gave him a rubber chicken that makes noise. My brother loved it so much. He always annoys me with it. It's so annoying!

Emery Eldridge

The best gift I have given was when my brother and I got our mom a ring with our birthstones on it. It also had my brother's name and my name too.

Ari Galle

The best gift I have ever given is friendship to my friends. Friendship is the best gift that you can give and my friends love it!

Jeremy Church

The best gift I have ever given was when I gave my mom a speaker for Christmas. She hooked it up and played Christmas remix songs and we all opened presents. My mom also got a blow-up Santa.

Juliet Beaudrot

The best gift I have ever given someone was a photo. I took two pictures and wrote my name and the other person's name. I made it for my dad because he's the best. The reason it was the best gift is because it was a picture of the two of us. The reason it was special is that now he can take the picture everywhere and I have one I can take everywhere too.

Jaxson Harpp

The best gift I have ever given is a clay snowman army. One is big and blue and the second is smaller and is white. There are also two smaller white ones. I gave it to my mom and dad. They loved it and it made me so happy.

McKenna Mahaffey

I gave my friend Hanna a heart shaped box with candy and rocks and stuff. What made it special was that I had made it for her. It was the best gift because it had all of her favorite stuff in it. That's the best gift I ever gave someone.

Scarlett Leigh

Once I gave my sister a jewelry hanger. My dad helped me. I even put a unicorn on it. That was the best gift I have ever given someone.

Coaches Corner

Elementary PE classes have been continuing to work on different locomotor skills, team building activities, and have recently started our throwing unit. Upper elementary has been developing their kicking and throwing skills and has been implementing these skills into different games.

MS and HS PE classes have enjoyed playing spasticball and basketball this month! These are two of the kids' favorite units! We look forward to starting our Volleyball unit here in the coming weeks as this is another one of our favorites! We are planning on doing a Volleyball tournament right before Christmas break so be on the lookout for the winners!

As winter and colder temperatures are approaching, please make sure your child(ren) has clothes for the outdoors. We will be trying to get outside this winter to do some sledding and some cross-country skiing and hopefully some snowshoeing! Our weight room has also been updated with some new equipment and we look forward to adding a weight-lifting unit to our PE classes this winter.

Winter sports are now underway! Keep an eye out on Facebook and the school website for any changes that may occur in the schedule! Come out and support our Irish Jags at our home games in both Johnsburg and Minerva! Here is a list of those games for this month!

12/9- Boys Varsity vs Newcomb @ Minerva
12/15- Girls Modified and Varsity vs Wells @ Johnsburg
12/16- Boys Modified and Varsity vs IL/LL @ Minerva

12/19- Girls Modified and Varsity vs IL/LL @ Minerva

12/20- Girls Modified and Varsity vs Bolton @ Johnsburg

12/29- Boys Modified and Varsity vs Willsboro @ Minerva (Modified at 4:00 pm, Varsity at 5:30 pm)

All Modified games are at 5:00 pm and Varsity games are at 6:30 pm unless stated otherwise!

Our elementary basketball season is also approaching quickly. Look for more information on start dates after the Holidays! We are also looking for individuals who are interested in coaching basketball at the elementary level. If anyone is interested in coaching please contact us as soon as possible.

Dear Johnsburg Families,

We have definitely seen various illnesses this past month. We've had cases of COVID-19, Influenza, RSV, Conjunctivitis (pink eye), Coxsackie (hand foot, and Mouth disease), colds, along with various other viruses. Please do keep your child(ren) home when sick in an attempt to slow the spread of any illness, not just COVID-19. Please continue to do an at-home COVID-19 test if they are exhibiting any related symptoms, if positive, be sure to let me know.

Respiratory Synovial Virus (RSV) is rather prevalent right now. I'd like to share a great link to provide you with accurate medical information on RSV.

[RSV Healthy Children.org](https://www.healthychildren.org)

The [Healthy Children](https://www.healthychildren.org) website is a great site for parents and families. It provides factual information on just about everything you can imagine. I highly recommend checking it out!

A reminder as we head into winter: please be sure to pack snow clothes and extra clothes should your child get wet while playing out in the snow. I have limited extra clothing here in the health office, so please remember to pack extras for your little ones.

Hope you all enjoy your holidays this month!

As always, please contact me with any questions or concerns. I will be happy to answer or find the answers for you!

Be well,

Mrs. Amber Aurilio, RN JCS School Nurse
