Changes

I believe that changes are coming. If you listen to the news and read the paper, our number of reported cases is coming down. As this happens, the rules that we have to follow change. I think sometime in March, the Governor will say that schools will be able to have an optional mask policy. If that happens, a few questions will still be unanswered. If someone is positive, will they have to wear a mask for five days when they return to school? (I am guessing that will be the case.) I would also guess that we will still be wearing masks on school buses for a while. Another question is, will we still need to social distance, and how will quarantines work in the future? A lot of questions, and not always a lot of answers.

I hope that schools/students are not put in the middle of political agendas. Politicians on both sides of every issue use students and their education as pawns to achieve their agendas. Public education is not the correct arena for these battles, whether to gain political favor with the public or force them to take a specific action.

I am not taking sides on any of the issues because, quite honestly, it is not my position to take sides; it is my job to follow the laws/rules that are passed down to the school. That does not mean that I am not trying to advocate for students. On Friday, February 18, Superintendents from our BOCES and myself met with our local legislatures, asking them to stop using students/schools for their political

gains. We elect these people to lead our State, and now more than ever, we need their guidance that is taken from both scientific facts and common sense. Our schools and students need and deserve this from the people making the rules.

I want to end on a positive note. Johnsburg Central School's community has maintained a positive attitude through this confusion and struggles. I walk the halls, and I see kids learning and laughing. I attended concerts and events, and people followed the rules. I know that some people do not agree with what we have to do, but I am pleased that they are helping us figure this out. Once again, thank you, and as I have said before, this too will become part of history, and we will say that we got through it.

MARCH QUESTIONS OF THE MONTH!

This month's Question of the Month was asked to our first grade classes,

"What would you do if you found a pot of gold at the end of a rainbow?"

Mrs. Brower's Class:

Emma McNally – "I would buy my baby brother food he can eat because he has a special diet."

Isabella Bennett – "If I had a pot of gold I would maybe buy a few things and save the rest!"

Alexander Fish – "If I found a pot of gold, I would hide it!"

Mark Donahue Jr. – "I would bury it."

Sawyer Knickerbocker – "I would buy something. I would buy a toy."

Royanne Millington – "I would bury it in a deep, deep hole so no one could find it!"

Mrs. Webb's Class:

Jaycob Prosser - "I would bring it home to show mom and then she could buy me a 1,000 toys!"

Bently LaBounty - "I would buy a Lamborghini and a Bogota!"

Sadie Mulligan - "I would take it home and buy a four wheeler to drive!"

Harper Smith - "I would go to the store and buy a phone!"

Orion Altman - "I would take it and buy some books and move out of state!"

Matthew Canon - "I would take it and buy a new house!"

Tommy Fuller - "I would buy a million game consoles and a tablet!"

Gracelyn Monroe - "I would buy a tablet and more popits!"

Bella Allen - "I would bring it home and then buy a Nintendo Switch and 2,000 toys!"

The cost is \$150 per year for five years for this apprenticeship program. This union is looking for pipefitters, millwrights, and electricians. They are looking to hire people 18 years old or older.

Happy March Johnsburg Families,

Physical & Vaccine Requirements:

It is hard to believe but I am looking into next school year and would like to remind parents/guardians that if your child is entering grades PK, Kindergarten, 1, 3, 5, 7, 9, or 11 that an up to date physical is required within 12 months of the upcoming school year starting on 09/06/2022 (meaning the physical would have to be on or after 09/06/2021 to be considered valid). I encourage you to schedule these physicals starting now as it may take several weeks/months to get in. Also, entering Kindergarten, 6th, 7th, and 12th grades there are specific vaccine requirements, if you are unsure if your child is up to date, please contact me. I will start mailing letters home next month for any student due for either a physical or vaccines.

COVID-19:

A very welcomed change is the ability to accept at-home COVID-19 test kits. This has simplified the process of clearing students to return and has significantly reduced the number of days students are absent related to an illness that is not COVID-19. The amount of COVID-19 cases not only in our school but the community has dropped significantly which is helping our return to more normal times. This in turn seems to be helping the mental wellbeing of our youth which is just as important as their physical health. Here is to hoping we continue down this path of returning to normalcy!

Spring Sports Physicals needed:

If your child is planning to play a spring sport, please remember they must have a physical on file within 12 months of the start of the season. Also, a health interval form must be completed by a parent or guardian within 30 days of the season and prior to the athlete being able to participate in practice. These forms can be picked up from either PE coach and are also available in the health office.

As always please reach out if you have any questions or concerns, I'm happy to help!

Be well,

Mrs. Amber Aurilio, RN

Greetings everyone!

January and February have been busy months for our PE, Health, and Athletic departments. We would first like to congratulate all of our winter athletes. They worked hard all season and through some difficult circumstances. A special congratulations to David Anderson and Avery Bayse for qualifying for the nordic state championships. We appreciate all the time and energy our athletes put into our athletic program. We would especially like to congratulate the Johnsburg Central School seniors David Anderson, Cassie Dunbar, Charlize Bernard, Yanden Cleveland, Noah Moffit, and Andrew Prosser. Congratulations to you all, and we wish you the best of luck!

Fifth and sixth-grade basketball has also been busy this winter. When they return from February break, Coach Sauer-Jones and Coach Gonyo's teams will be busy with games and practices. They have enjoyed working with your children and are excited to see what the future holds for these athletes.

Our middle and high school physical education classes have played basketball, broomball, and enjoyed time outside with the warmer weather. Elementary classes have also enjoyed basketball, sledding, obstacle courses, and the snow! In March, we will start our badminton unit.

Sign-up sheets have been posted for our spring athletic seasons. If your son or daughter is interested in playing softball, baseball or tennis, please encourage them to sign up as soon as possible. Spring sports will start around March 14th, so keep an eye out for scheduling. Please make sure your child has an up-to-date physical.

We hope everyone has enjoyed their winter, and we are looking forward to some warmer temperatures!

Thank you,

Coach Pierson and Coach Gonyo

Johnsburg-Minerva Sends Two to States

Congratulations to seniors David Anderson of JCS and Avery Bayse of MCS on a stellar performance at the Section 2 Nordic Championships on Wednesday, February 16, 2022! Avery's 12th place and David's 8th place finishes qualified them for the Section 2 team competing at the NY State Championships on Monday and Tuesday, February 28 & March 1.

The entire Johnsburg-Minerva Nordic team had personal record times at sectionals. Scott Patton blasted his previous time by over 6 minutes, landing him a 15th place finish and making him a skier to watch next year. Erin Corr and Kara Tucker also had impressive improvements.

The Nordic team and coaches want to thank all of the students and teachers who came out to support our skiers at Sectionals. The crowd's enthusiasm was remarkable and definitely made a difference to our skiers!

March is Music In Our Schools Month!

Clear Backpacks Now Allowed in Grades 7-12

As per the Board of Education meeting February 7th, students in grades 7-12 will be allowed to carry a clear backpack during the school day. This is a change from the previous policy which prohibited use of backpacks in general. A User Agreement Form is available on the school website, as well as in the Principal's office. Forms must be signed by both students and parents before using a clear backpack. The school will have backpacks available for students if they cannot afford to purchase one. If you have any more questions, please contact Mrs. Flanagan.

Student Tutoring Available for Grades 7-12

Did you know that the Student Council is offering free tutoring for students in grades 7-12 that may be struggling in classes? Peer tutoring is proven to be an effective way to supplement classroom instruction, and the JCS Student Council has adopted the Student Tutoring Program as their Annual Service Project. If you are a student who needs help, or a parent of a student who needs help, simply go to the school website, and under "For Students" select "Student Tutoring Request Form", and we'll do the rest. You will be set up with a tutor, and given a meet link. It's as simple as that! Don't hesitate to reach out, we are here and ready to help!

Active Parenting of Teens :)

For Parents of Teens and 'Tweens

The challenge of successfully ushering children through their teen years has always been among parents' hardest-won achievements. But in today's society where children seem to become adults overnight, and where they often make decisions about drugs, sexuality, and violence before they understand the consequences, a parent's job is more important than ever. So how can you ensure that your teens develop the skills and character they need to not only survive but to thrive as they gain independence?

You *can* create harmony and stability in your family while raising your teens to be responsible, courageous and prepared for independent life. *Active Parenting of Teens*, a video and discussion program by parenting expert Dr. Michael Popkin, will show you how. In six sessions packed with activities, discussion, real-world examples, and feedback, you'll learn a proven approach to parenting, plus indispensable techniques and insights for overcoming obstacles, that will bring happiness and harmony into your home. You'll leave each session energized and motivated to make positive and realistic changes in your own family's daily life.

Since 1983, millions of families have learned the benefits of Active Parenting. Now it's your turn.

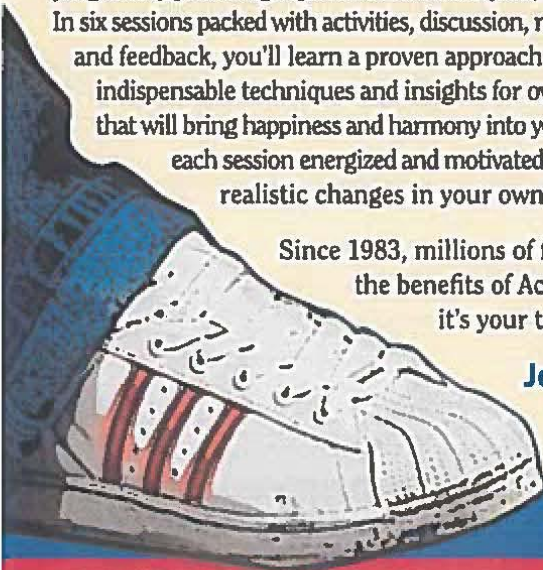

Join us at the next session and see the difference!

Narrated by TV mom Daphne Maxwell-Reid ("The Fresh Prince of Bel-Air") and by the author, Dr. Michael Popkin

Active Parenting of Teens will give you the guidance and support you need to turn the challenges of raising a teenager into opportunities for growth. You'll learn:

- Methods of respectful discipline
- Skills for clear, honest communication
- Concrete strategies to prevent risky behavior
- How to be an encouraging parent

... and much more, plus insight into important issues such as teens online, bullying, and depression.
