## Superintendent's Corner

### Merger Update

The second Merger Feasibility Study Committee Meeting occurred on November 1, 2023, at the Minerva Central School. The main focus of this meeting was financial data.

The discussion included budget results, revenue and expenditures, the calculation of tax rates, current tax rates, and tax bills for both schools, as well as the tax levy and tax rates if the schools merge. The consultants reviewed projected tax bills if the schools merge, foundation aid, reorganization, and incentive-building aid.

Focus group meetings were held on November 8 at Minerva and November 15 at Johnsburg. Each school allowed the community, students, faculty, staff, and parents time to work with the consultants from CASDA. These groups had the opportunity to delve deeper into various topics.

The next Merger Feasibility Study Committee meeting will be held at Johnsburg Central School on November 29, 2023, at 6:00 pm. on the cafetorium stage. The topic for this meeting will be curriculum and instruction.

We plan to have the committee continue to meet throughout February and then have the CASD consultants present their findings to both Boards of Education in late February or March. Then, each Board will have to decide if they will move the proposal forward to their communities

This month's question was asked to Mrs. Morris and Mrs. Olesheski's 4th-grade classes.

*"The best gift I had ever given to someone?"*

The best gift I ever gave someone was a soapstone whale that I had carved myself. I carved the whale out of soapstone when I attended the afterschool art club with Ms. Kate for carving. We used special tools and I really liked how the whale turned out. I gave the soapstone whale I carved to my dad as a special any day gift. **Kinleigh Lawrence**

The best gift I gave someone was a gift that my dad, my two sisters and I saved up money to purchase. We gave my mom for Christmas a Ninja machine that she really wanted. When she opened it up she was happy and very surprised. The Ninja machine was the best gift because it was something my mom really wanted and she uses it quite a bit when she's making us dinner. **Silas Leigh**

The best gift I ever gave someone was when I helped JoJo pick out a tablet for my little brother Logan. The gift was for Logan's first birthday. My older brother did not agree with it because my brother is young. When Logan took it out of the bag he kept using the flashlight on the tablet and putting his hand on the flashlight. This was the best gift because it was the first gift I gave my little brother. **Cyrene Brouters**

The best gift I gave was to my mom and dad. It was a birdhouse that I painted when I was in PreK. I painted it black and orange and brought it home and hid it. I found it one day in the back of the storage room and gave it to my mom and dad. My mom had a pet bird and she put the bird by the house. This was the best gift because the bird needed a house and it used the house I gave my mom and dad. **Lucas Perez**

The best gift I gave was to my little brother Cooper for Christmas a couple of years ago. I gave him the Nintendo Switch game Minecraft. This was the best gift because my little brother and I both liked playing it a lot and even our older brother Brian would play it with us. **Xavier Haines**

The best gift I gave was a gift I gave my little brother. I gave him a Tonka truck for Christmas a few years ago. When he opened the gift and saw the truck he ran all over the house squealing because he was so happy. My brother still plays with it and puts it in a sand pit near our house. This was the best gift because my little brother had been wanting this particular truck for a long time. **Ella Steele**

The best gift I ever gave someone was just yesterday. I used a gift card of my own to purchase a birthday gift for my cousin Orion. I bought him a Nerf gun, water balloons, and paint. What made this the best gift was that I bought them myself for my cousin. **Isaiah Fish**

“The best gift I had ever given to someone was to my cousin because my cousin helped me stack wood and put wood in the fire. The gift was a phone and I felt really happy giving the gift to my cousin. My cousin was even happier than me because my cousin really wanted a phone!” **Destiny Facey**

“The best gift I have ever given is a chocolate orange. I gave the gift to my dad. My dad really likes chocolate. Giving the gift to him made me feel really good about myself.” **Ryan Tucker**

“The best gift that I have ever given to someone is a crossbow. I gave it to my dad for Christmas with a target. I gave it to him because he wanted one and it felt good to give it to my dad.” **Elliot Noel**

“The best gift I will ever give is going to my sister. For my sister I will give her a video of the cruise that we are going to go on for my birthday. I have also been saving for a long time so I can get her a necklace on the cruise so I can give it to her for Christmas because I love her.” **Olivia Kitchin**

“The best gift I have ever given someone was Magic Mixlings. I got Magic Mixings for Zoe because it was her Birthday! When it was time to open presents, mine was first. Zoe opened my present and it made me happy to see Zoe happy.” **Sophia Moffit**

“The best gift I have ever given was a necklace. I gave it to Annabella. I gave it to her because it was her birthday and when I gave it to her she felt happy.” **Kayla Waldron**

“The best gift I’m going to give is a little figure of me to Keen my cousin. I’m going to give it to Keen because I feel like he doesn’t have something to represent me. I’m really excited to give it to him.”

**Dominic Aurilio**

Greetings! PE, Health and Athletics have been busy! Coach Pierson and Coach Gonyo attended the NYSAHPERD conference this fall and brought back some new and exciting activities and ideas for our classrooms. Please remember that students need a pair of sneakers/tennis shoes to participate in PE. We will also be going outside throughout the winter, so appropriate winter attire is needed. We have sneakers and warm clothing available at school, so please reach out if needed.

Winter sports has started and we are looking forward to watching our teams compete. Here is a list of our December home games and races as well as the schedule for our first annual Ring in the New Year basketball tournament. As always we remind our athletes and spectators that they are representing our school and community at all sporting events. Please cheer in a positive manner, let the players play, coaches coach and the officials officiate. A full athletics schedule can be found on the school's website. We look forward to seeing you all at our future athletic events.

Dear Johnsburg Families,

We have seen various illnesses this past month. Please keep your child(ren) home when sick in an attempt to slow the spread of all illnesses. Please continue to do an at-home COVID-19 test if they are exhibiting any related symptoms, if positive, be sure to let me know. Please remember to call or email me or the main office if your child is going to be absent for any reason.

*Fun Fact: Handwashing alone prevents 1 in 3 diarrhea-related illnesses and 1 in 5 respiratory infections such as a cold or the flu. (CDC)*

A reminder as we head into winter: please be sure to pack snow clothes and extra clothes should your child get wet while playing out in the snow. I have limited extra clothing here in the health office, so please remember to pack extras for your little ones.

Hope you all enjoy your holidays this month!

As always, please contact me with any questions or concerns.

Be well,
